

# **SAFETY POLICY**

Work Health and Safety of all persons employed or contracted by PRIORITY TREE SERVICES is a priority within the company. PRIORITY TREE SERVICES is committed to allocating adequate resources to ensure the health and safety of all persons in accordance with the WHS Act 2011 and WHS Regulation 2011. Our aim is to have our WHS system benchmarked against recognized 'best practice'.

PRIORITY TREE SERVICES is committed to reducing the opportunity for injury through:

- Early hazard identification and risk management
- Processes for auditing the implementation of WHS procedures
- Implementing measurable objectives and targets for continual improvement
- Procedures for training all levels of employees
- Methods for consultation with all persons, at all levels
- Processes for circulating information

In order to meet the objectives of this policy, a program of activities and procedures have been set up, continually updated and effectively carried out. The program will relate to all aspects of work health and safety including:

- Designed and tailored Risk Assessments and Safe Work Method Statements for worksites
- OHS training and education
- Emergency preparedness and procedures
- Provision of quality OHS equipment, services and facilities
- Workplace inspections and evaluations
- Reporting and recording of incidents, accidents, injuries and illnesses
- Provision of information to employees, contractors and subcontractors

PRIORITY TREE SERVICES promotes that WHS responsibilities are paramount to all. Thus at all levels – managers, supervisors, staff and sub-contractors - each can contribute and improve safety in the work environment through mutual cooperation and effort across all aspects of the business.
